

## Announcement

# ICAR-National Dairy Research Institute, Karnal and MSME Development & Facilitation Office, Karnal

Announces

## NDRI-Entrepreneurs Meet on

March 15, 2023

ICAR-NDRI and MSME invite participation from the established entrepreneurs as well as those individuals who want to become future entrepreneurs in the area of Dairy Foods, Animal Nutrition and Allied – Industries in **One Day, "NDRI-Entrepreneurs Meet" on March 15, 2023**. The venue of the Meet would be ICAR-National Dairy Research Institute, Karnal-132001 (Haryana). The Meet is being organized with the objectives (i) to showcase NDRI developed innovative technologies to prospective entrepreneurs and (ii) also to provide them awareness about various Govt. of India schemes which can sustain their future endeavours. To achieve this, ICAR-NDRI and MSME-Development & Facilitation Office, Karnal have joined hands at a single platform wherein both innovative technologies as well as financial requirement including schemes related to dairy and food sectors would be presented to future entrepreneurs. NDRI technologies would be discussed under two broad themes: Dairy Processing & Dairy Production.

This Meet would be an excellent opportunity to know about innovative technologies developed at ICAR-NDRI in the area of dairying. Also, the Meet will provide an in-depth information about various Govt. of India schemes related to dairy and food sectors which would be beneficial for both established entrepreneurs as well as to prospective entrepreneurs. **The participants are required to register in advance.**
